The Petition of : Finn Nielsen (principal petitioner) 1/1A Pukehana Avenue, Epsom, Auckland : Phone 0274846326

To the House Of Representatives

That the House call upon the National government to reject proposed ACC levies for motorcycles. On the basis that the proposal is based on flawed and misleading information and naïve understanding of motorcycle issues, and violates the fundamental Woodhouse principles of the Accident Compensation scheme and that the entire process requires a greater time frame allowing a more robust public review and debate.
